Elective Courses for Students Not Selecting a Concentration
Students in the Health Sciences, B.S. program (non-concentration) must select
an additional 25 units in consultation with an advisor. These electives must be
chosen as part of a course plan designed in consultation with an advisor to
achieve a student's learning goals. The course plan must be approved and filed before registering and taking
elective courses. Students may review courses to construct a plan by using the
Course Description link in the catalog. All Health Sciences courses have an PH prefix.

*Students are required to take a minimum of 40 semester units as upper division (includes 9 units upper division GE)
