**US-2 would be fulfilled by the American Government exam.

Note: US-3 would be fulfilled by the California State and Local Government exam administered by the Testing Office at CSUEB.

¹ Will accept a maximum of 6 units toward English.

² Will accept a maximum of 6 units toward Mathematics. Students who complete both the College Algebra and Pre-Calculus exams will receive 6 units of credit and completion of GE Area B4.

³If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area 3B of CSU GE, as noted.
